KULTURY

### Nature trail

## ON THE TRAIL OF THE JIZERA MOUNTAIN GLASSMAKERS

Play our game all the way from the glassmaking settlement of Kristiánov to the Museum of Glass and Jewellery in Jablonec nad Nisou (or vice versa). The trail of the Jizera Mountain glassmakers will take you to many important places that are linked to the local glassmaking tradition.

### HOW TO DO IT?

Simply follow the hiking and cycling paths, marked nature trail circuits and so on.

### HOW FAR IS IT?

The trail covers 19 km in total, but you can split it into smaller sections, cover it over several days or use public transport or a car.

1

## KRISTIÁNOV GLASSMAKING SETTLEMENT

- An interactive exhibition on the history of the one of the most important glassmaking settlements in the Jizera Mountains.
- Put together a model of the settlement and search for the treasure of Tamann the mythical wizard.
- Sales of souvenirs and refreshments.
- Relax in a cosy timber-framed cabin or on a covered terrace with a view of the countryside.

**Opening hours:** From June to the middle of October (weather permitting). Please check opening times on the museum website.
